HOW TO USE

For professional use only.

Shake the can well prior to use.

Please read the instructions on the rear of the cans.

Before using any of the range of Dirty Down sprays please read the manufacturer's data sheets and apply the safety requirements for its use.

We recommend that you test the spray first on a small area or fragment of the item you are spraying to check that it meets with your requirements.

Dirty Down may cause permanent discolouration and damage to some surfaces and materials.

Practice on a test surface before spraying the finished product for the best results.
